General practice referrals to the NHS Community Pharmacist Consultation Service (CPCS) Summary details for Primary Care Network (PCN)

Community Pharmacy PCN Lead:	Insert name	Insert pharmacy name	Phone number
			Email address

General practices referring to the CPCS:

Practice name	Method of sending CPCS referrals to pharmacies	Process to follow when a CPCS patient needs an urgent in- hours appointment at the practice	Phone number for health professional use	NHSmail address for CPCS use	Contact for dealing with any problems with the service

This information should be used in conjunction with the pharmacy's CPCS Standard Operating Procedure. Where not already known, use <u>NHS Service finder</u> to obtain non-public telephone numbers (where available) and NHSmail addresses for general practices.

Other pharmacies providing the CPCS in the PCN:

Pharmacy name	Address	Phone number for health professional use	NHSmail address
