60% of BMS customers choose to order via EDI. Using this service reduces order processing time, improves order accuracy, and speeds up delivery to the warehouse.

- For the full list of products, please use the following new EAN and SAP codes stated below.
- Please support our initiative to be more efficient by combining and sending weekly orders.
- If applicable, please change your EDI supplier from Celgene to BMS.

If you are not currently set up for EDI and would be interested in more information, please get in touch with BMS at: customerinfo.ukie@bms.com
