## IMPORTANT COMMUNICATION

**Subject:** Extended Use Beyond Printed Expiry Date for Mounjaro<sup>®</sup> 2.5 mg KwikPen<sup>®</sup> solution for injection in pre-filled pen, Batch D712074.

Dear Patient,

Eli Lilly and Company (Lilly) wish to inform you of an important information update about Mounjaro<sup>®</sup> 2.5 mg KwikPen<sup>®</sup> solution for injection in pre-filled pen:

The product has been validated with new stability data to support an extension of shelf life from 9 months to 14 months, which the MHRA approved on 25-Mar-2024.

**Your Mounjaro<sup>®</sup> 2.5mg KwikPen<sup>®</sup> which has a printed expiration date of 05-2024 on the carton and pen can now be used until 10-2024.**

Product	Batch Number	Displayed/Printed Expiry Date (MM-YYYY)	New Expiry Date (MM-YYYY)
Mounjaro <sup>®</sup> 2.5mg KwikPen <sup>®</sup> solution for injection in pre-filled pen	D712074	05-2024	10-2024

The product of these specific batches will continue to work safely and as intended within the allowed extended use by date.

Your healthcare professional has already been notified about this update. If you have any further questions on the use of this medicine, ask your prescribing healthcare professional, your dispensing pharmacist, or contact Lilly Medical Information department at: 01256 315000 or via email: [ukmedinfo@lilly.com](mailto:ukmedinfo@lilly.com).

Sincerely,

Joanne Webb  
Senior Medical Director
