

Sorry, but we are much busier than usual

This is because of action being taken by local GP practices.

We are working as quickly as we can to look after our patients and customers, making sure we continue to provide a safe service.

If you need advice and can't wait to speak to one of our team, please phone **NHS 111** or visit **111.nhs.uk**

We are here to help you.

Thank you for being patient and treating us with respect.
