

# Sorry, but we are much busier than usual

This is because of action being taken by local GP practices.

Our pharmacist and team must prioritise the safe supply of NHS prescriptions.

Our pharmacist is also spending their time dealing with patients referred to us by NHS 111 and GPs.

When we are too busy to provide you with advice, please phone **NHS 111** or visit **111.nhs.uk**

Thank you for being patient and treating us with respect.
